RE: HB-441 Tax Equalization and Reduction Act

To Whom It May Concern:

As the Mayor of Milford City, I'm writing to you to express the concerns on behalf of Milford City in regards to HB-441. Milford City is strongly opposed to H.B. 441, Tax Equalization and Reduction Act. As currently proposed, HB 441 removes the tax exemption for the sale of water.

Milford City respectfully requests your assistance in revising H.B. 441 to exempt water from this bill.

Should you have questions or concerns regarding this request, please feel free to contact me at 435.691.9111 or at ndavisfiredist2@hotmail.com.

Respectfully yours,

Nolan C. Davis
Mayor of Milford
