

## REPORT WATER WASTE

This report is intended to be a resource for reporting clear or repeated water waste. Please avoid reporting potential one-time mistakes, testing/maintenance, etc. Nobody will be publicly shamed; rather we will simply forward the report to the local water entity so they can help or educate the property owner. If it is a matter needing immediate attention, we recommend contacting the local water provider directly.

2. Have you reported this property before?

Yes

No

\* 3. In which city is the complaint?

\* 4. What is the address, landmark, building name and/or approximate location?
